Course Information

Two days in Orlando, from the system fundamentals to live surgery and case review.

This is not a lecture hall course. Day 1 covers the system fundamentals and a hands-on workshop at the Fairfield by Marriott in Ocoee. Day 2 moves to Chain of Lakes Family Dentistry in Windermere, a working practice, for live surgery observation, case review and the lab and restoration sessions. The people who built the system are in the room.

WHAT YOU'LL LEARN

- Run a repeatable surgical and restorative implant workflow
- Select cases and plan treatment around implant design and surface
- Handle healing caps, scan bodies, multi-unit abutments and bridge seating hands-on, on models
- Watch real-time surgical decision-making in a live case, then review complications and troubleshooting
- Integrate digital planning, guided surgery and intraoral scanning into daily practice
- Plan cases the way the lab needs them and choose the right components
- Work through real attendee cases in an extended case review session
- Build the patient journey, financing and treatment coordinator role that drive case acceptance

WHO SHOULD ATTEND

General dentists adding or expanding implant placement, restorative dentists who want to understand the surgical side, and teams who want a system they can run together. Bring your treatment coordinator for the Thursday afternoon business and growth session.

WHY THIS COURSE IS DIFFERENT

Lecture in the morning, instruments in your hands by one o'clock, and live surgery observed in a working practice the next day. Groups stay small so every attendee gets reps, questions get answered, and you leave with a workflow you can run Monday morning.

Beyond the Classroom

Two days of CE in two Orlando area locations, a night with the faculty, and February weather worth arriving early for.

THE VENUES

Two Locations, Ocoee & Windermere

Day 1 in Ocoee · Day 2 in Windermere

Day 1, the lecture and hands-on workshop, is at the Fairfield by Marriott Inn & Suites Orlando Ocoee. Day 2 moves to Chain of Lakes Family Dentistry, a working practice, where live surgery is observed.

DAY 1	Fairfield by Marriott, 10971 W Colonial Dr, Ocoee, FL 34761
DAY 2	Chain of Lakes Family Dentistry, 1805 Maguire Rd #159, Windermere, FL 34786
LIVE SURGERY	Observed in person at Chain of Lakes, in small groups
GETTING THERE	About 25 minutes from Orlando International Airport (MCO)
PARKING	Free parking at both locations

DAY 1 · THURSDAY, FEB 18 · 6:00 PM

INCLUDED FOR ALL ATTENDEES

Cocktails & Networking

When the first day wraps, drinks and small plates with Dr. Lasorsa, the faculty and the OsseoPure team, so the questions you did not get to ask in the room get answered over a glass of something.

It is also the best hour of the course to compare notes with the other attendees: who is placing what, what has gone wrong, and what they would do differently. Bring your treatment coordinator.
